## *A Look Thru Time*

20 years of experience

Leagh has been researching her family history for over 20 years. She's taught the subject for Greenville Tech and the S.C. Jaycee's.

She has a deep love for history and the impact it has on our lives today. She is particularly drawn to her ancestral homeland of Scotland.

She would love to have you visit her online or invite her to speak or present a dramatic presentation to take a look thru the glasses of time for a deeper look at the people and life in earlier cultures and era's and how they continue to impact our lives today.

Leagh is available for dramatic presentations, as a keynote speaker, lecturer or in a teaching setting.

In addition to being a genealogist, she is also a vocalist, writer, Certified Activities Director, Certified Life Coach and Christian Speaker.
