## Diana "Leagh" Matthews

From Rebel to Redeemed

Sharing *HIS* Kind of Love

*Through song, word, and drama*

Leagh is a musician, teacher and speaker with a heart for women. Leagh shares her own testimony, straightforwardly sharing her struggles and mistakes through word, song, visuals and dramatic monologues.

Her topics range from life experiences such as domestic violence, rebellion and depression to Bible lessons and truths. Leagh uses God's word as the basis for overcoming the roadblocks life throws in the way to find healing and spiritual truth. Her final message is the same: Jesus loves you and has a purpose for your life.

Her experiences as a preacher's daughter, caregiver, survivor, Certified Activities Director, Christian Life Coach, women's ministry leader, Bible teacher, Genealogist, musician, and writer provide a unique background to draw on her life's experiences. Her favorite title is Child of God.

Leagh is a novelist at heart and still walking the path to pursue her dream of publication. She has been published in numerous anthologies and is the author of the 90 Breath Prayers Series.

She travels from South Carolina.
